

■ SCHRACK SOLUTIONS FOR OFFICES

The basic technical infrastructure of office spaces has been revolutionised over the last 10 years. The all-out introduction of computers and the Internet into everyday office life also has implications for building infrastructures.

■ ECONOMIC EFFICIENCY & TECHNOLOGY

SCHRACK offers full solutions and knowledgeable advice for all these issues. Current demands include the following:

[NETWORK CABLING](#) offering safe functioning for category 5 up to optic fibre technology

- in-building control systems for optimum lighting at PC stations
- [SAFETY TECHNOLOGY](#) measures designed to prevent data loss in the event of a power outage.

Of course, SCHRACK solutions can also be used to meet traditional demands on [ENERGY MANAGEMENT](#) and [SAFETY LIGHTING SYSTEMS](#) for business premises.
