

SCHRACK INTERNATIONAL

■ SCHRACK IN EVERYDAY LIFE

■ SCHRACK SOLUTIONS FOR SHOPPING CENTRES

The pleasure of being able to shop in a mall environment is weighed against the need to look after the safety of consumers. Modern energy management and emergency safety systems are just two of the top priorities when planning and implementing such projects.

■ ECONOMIC EFFICIENCY & TECHNOLOGY

SCHRACK also offers a multitude of solutions for this particular application.

Products for [ENERGY DISTRIBUTION](#), compensation units, energy meters, control and regulator products have also been tried and tested over many years as have [SCHRACK NETWORK TECHNOLOGY](#) & [SCHRACK SAFETY TECHNOLOGY](#).
