

/// SCHRACK SOLUTIONS FOR SHOPS

Increasing prosperity, an increasing consumer society and virtual shops mean even greater competitive pressures for business people, and higher expectations from customers. It is therefore not just the outward appearance of a business that matters – but also the technology that lies behind it.

/// TECHNOLOGY & SAFETY

SCHRACK offers a full range of system solutions for [ENERGY MANAGEMENT](#) & [SAFETY TECHNOLOGY](#), as well as [NETWORK COMPONENTS](#) for cash registers, telephone systems and computer cable networks.
