■ SCHRACK GOLF TROPHY

In July 2005, we staged our 2nd SCRACK Trophy.

Despite some wind and rain, our sporty and also entertaining get-together with our customers and partners was a complete success.

Non-players could try out their first swings in the “taster golf” session. There might even be a few more professionals by the time the 3rd SCHRACK trophy comes along, who knows?

■ SCHRACK FUN IN THE CZECH REPUBLIC

Each year at our subsidiary in Prague, a SCHRACK CHILDREN’S DAY takes place.

These fun and games for those young and old have become something of a tradition, and are very popular amongst our customers.
