

Data Sheet for Article: BE073138--

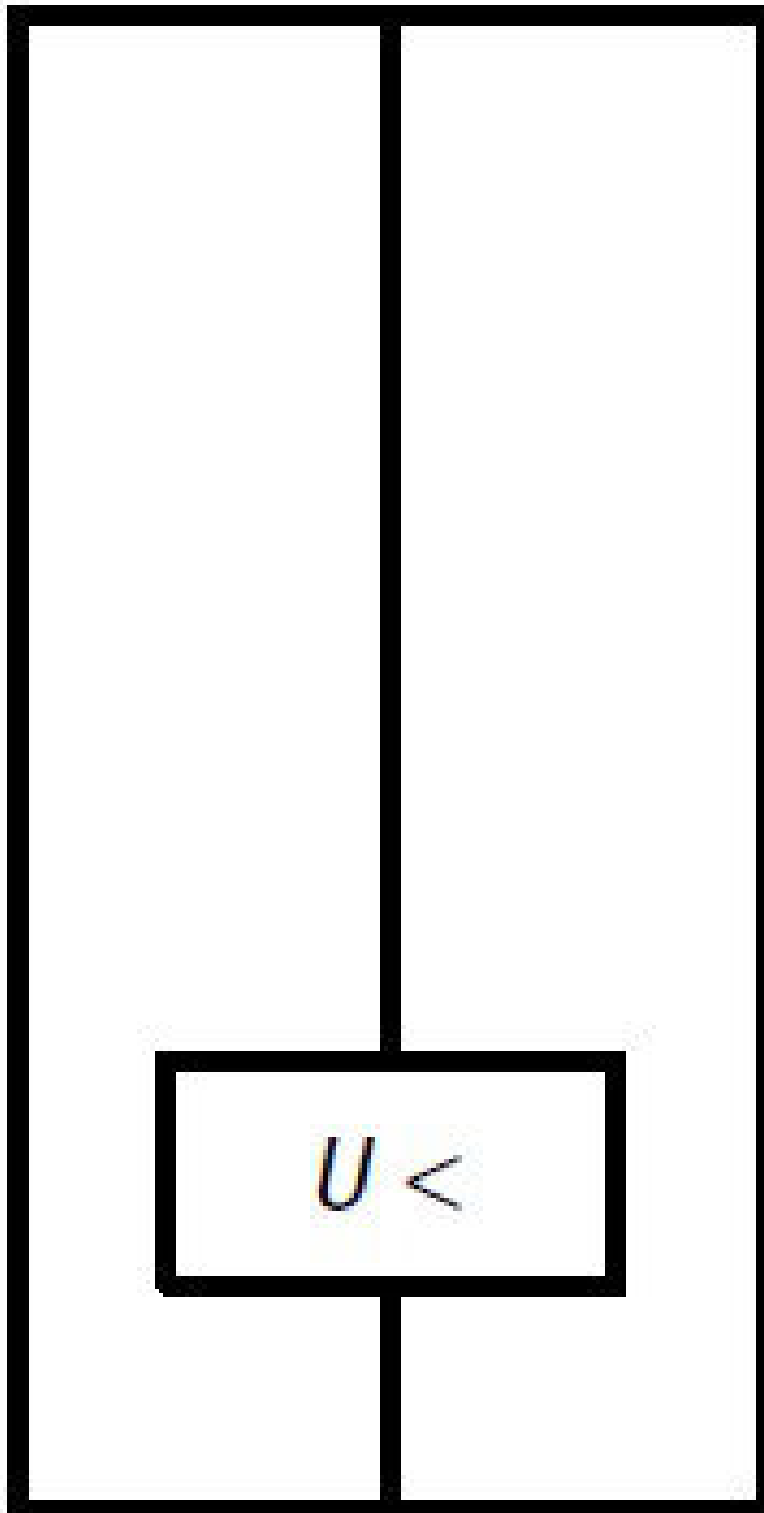

# Low voltage trip device 400VAC

Accessories Undervoltage release, Size type BE5/BE6

## Technical Data

|                  |                      |
|------------------|----------------------|
| Product category | Accessories          |
| Size type        | BE5/BE6              |
| Accessories      | Undervoltage release |

**Circuit diagram: Low voltage trip device 400VAC****D1**

| DESCRIPTION                                                                           | Order No. |
