

Data Sheet for Article: EV101351CZ

# earthed pin socket with ch.protection quick con., white, SP

weiß, Steckklemmen

## Technical Data

|                                          |                                             |
|------------------------------------------|---------------------------------------------|
| Series                                   | 01-VISIO S 55                               |
| Product type                             | Shockproof socket                           |
| Operating voltage AC (V)                 | 230                                         |
| Rated current (A)                        | 16                                          |
| mounting                                 | Screws and claws                            |
| Mounting method                          | Flush-mounted                               |
| IP Rating                                | IP40                                        |
| Colour                                   | White                                       |
| Connection type                          | Plug-in terminal                            |
| Connection clamps                        | according to EN 60669-1                     |
| Allowed cables                           | Stiff                                       |
| Allowed cross-section (mm <sup>2</sup> ) | 1,5 und 2,5                                 |
| Material                                 | ABS<br>Brass<br>Galvanized steel<br>Plastic |
| Environment                              | Halogen free                                |
