Rocker 50 with illuminated writing field, anthracite

Not compatible with the new VISIO SI, ABS, ROHS, Anthracite

Schrack-Info

Chic rocker made of halogen-free ABS plastic with an illuminated writing field. The rocker is attached to a holder which ensures that the rocker is reliably fixed but can still be easily replaced. The rocker bracket, which is also made of plastic, is simply placed on the switch/push-button insert and snaps into place securely.
