

Data Sheet for Article: EV113310--

# Digital thermosotat - top part, heating, anthracite

To be completed with EV103009--, VISIO S 55 (55x55) ABS, ROHS, Anthracite

## Technical Data

|                           |                      |
|---------------------------|----------------------|
| Net length (mm)           | 55,00                |
| Net width (mm)            | 55,00                |
| Net height (mm)           | 30,00                |
| Net weight (kg)           | 0,04                 |
| Series                    | 01-VISIO S 55        |
| Design                    | CUBIC                |
| Product typ               | Room thermostate     |
| Operating voltage AC (V)  | 230                  |
| Temperature setting range | 0-30                 |
| Operating mode            | Heating              |
| Contacts                  | 1 Schließer/1 Öffner |
| Display technology        | digital display      |
| Mounting method           | By pinning           |
| Colour                    | Anthracite           |
| Material                  | ABS                  |
| Environment               | Halogen free         |
| Sustainability            | ROHS                 |

## Technical Data - continued

Dimensions (mm)

| 50x50x20
