# LED driver, 1000mA, 40W, dimmable

## Technical Data

|                      |               |
|----------------------|---------------|
| Manufacturer         | 03-SLV        |
| Dimmable             | yes           |
| Input voltage AC (V) | 220-240       |
| Output current (A)   | 1             |
| Colour               | White         |
| Material             | PC<br>Plastic |
| LxWxH mm             | 153x67x30     |
