

Data Sheet for Article: LI1002232-

# LED driver, 350mA, 20W, dimmable

## Technical Data

|                      |               |
|----------------------|---------------|
| Manufacturer         | 03-SLV        |
| Dimmable             | yes           |
| Power (W)            | 20            |
| Input voltage AC (V) | 220-240       |
| Output current (A)   | 0,35          |
| Colour               | White         |
| Material             | PC<br>Plastic |
| LxWxH mm             | 167x38x30     |

## Article Table

| DESCRIPTION                      | Order No. |
|----------------------------------|-----------|
| LED driver, 350mA, 20W, dimmable | LI1002232 |
