# GRIP! M 1~ 2000-3000K 15W PHASE 42°

## bronze / black

Spot cylindrical, Dim-to-Warm

### Technical Data

|                           |                                |
|---------------------------|--------------------------------|
| Net length (mm)           | 153,00                         |
| Net width (mm)            | 43,00                          |
| Net height (mm)           | 82,00                          |
| Net weight (kg)           | 0,27                           |
| Luminaire type            | power rail luminaire           |
| Mounting                  | power rail                     |
| Colour                    | Bronze<br>Black                |
| Material                  | Aluminum                       |
| Beam angle (°)            | 42                             |
| Glare factor (UGR)        | 19                             |
| Operating voltage AC (V)  | 220-240                        |
| Operation current mA (mA) | 350                            |
| Lamp holder               | LED Platine                    |
| Power (W)                 | 15                             |
| Light colour              | ultra warm white<br>warm white |
