# GRIP! M 3~ 2000-3000K 15W DALI Touch 42° white / black

Spot cylindrical, Dim-to-Warm

## Technical Data

|                           |                                |
|---------------------------|--------------------------------|
| Net length (mm)           | 259,00                         |
| Net width (mm)            | 43,00                          |
| Net height (mm)           | 80,00                          |
| Net weight (kg)           | 0,31                           |
| Luminaire type            | power rail luminaire           |
| Mounting                  | power rail                     |
| Colour                    | White<br>Black                 |
| Material                  | Aluminum                       |
| Beam angle (°)            | 42                             |
| Glare factor (UGR)        | 19                             |
| Operating voltage AC (V)  | 220-240                        |
| Operation current mA (mA) | 350                            |
| Lamp holder               | LED Platine                    |
| Power (W)                 | 15                             |
| Light colour              | ultra warm white<br>warm white |

## Technical Data - continued

|                             |                   |
|-----------------------------|-------------------|
| Colour temperature (K)      | 2000-3000         |
| Colour rendering index (Ra) | ≥90               |
| Luminous flux (lm)          | 1000              |
| Service life                | 50000             |
| Dimmable                    | DALI<br>Touch DIM |
| Protection class            | II                |
| IP Rating                   | IP20              |
| LxWxH mm                    | 259x43x80         |

| DESCRIPTION                                                                             | Order No. |
