# NOBLO single round 2000-3000K 8W Dim-to-Warm PHASE 36° bl

Surface-mounted wall and ceiling light

## Technical Data

|                           |                                                      |
|---------------------------|------------------------------------------------------|
| Net length (mm)           | 90,00                                                |
| Net width (mm)            | 105,00                                               |
| Net height (mm)           | 127,00                                               |
| Net weight (kg)           | 0,34                                                 |
| Luminaire type            | wall luminaires<br>surface mounted ceiling luminaire |
| Mounting                  | surface mounting ceiling<br>surface mounting wall    |
| Colour                    | Black                                                |
| Material                  | Steel<br>Aluminum                                    |
| Beam angle (°)            | 36                                                   |
| Operating voltage AC (V)  | 220-240                                              |
| Operation current mA (mA) | 350                                                  |
| Lamp holder               | LED Platine                                          |
| Power (W)                 | 8                                                    |
