# KALU 1 wall & ceiling lamp, QRB111, max. 50W, brushed alu

## Technical Data

|                          |                                                      |
|--------------------------|------------------------------------------------------|
| Net width (mm)           | 150,00                                               |
| Net height (mm)          | 190,00                                               |
| Net weight (kg)          | 0,54                                                 |
| Luminaire type           | wall luminaires<br>surface mounted ceiling luminaire |
| Mounting                 | surface mounting ceiling<br>surface mounting wall    |
| Colour                   | Aluminum brushed                                     |
| Material                 | Aluminum                                             |
| Manufacturer             | 03-SLV                                               |
| Operating voltage AC (V) | 230                                                  |
| Operating voltage DC (V) | 12                                                   |
| Light source             | Low voltage halogen - reflector lamp                 |
| Lamp holder              | G53                                                  |
| Watt (W)                 | 50                                                   |
| Number of lamps          | 1                                                    |
| Protection class         | I                                                    |
| Swivel range (°)         | 90                                                   |
