

Data Sheet for Article: LI155114--

# Napia Twin 16,6W, 3000K, Ra=80, brushed aluminium/anodized

## Technical Data

|                          |                                       |
|--------------------------|---------------------------------------|
| Net width (mm)           | 2.000,00                              |
| Net height (mm)          | 130,00                                |
| Net weight (kg)          | 4,93                                  |
| Luminaire type           | wall luminaires                       |
| Mounting                 | surface mounting wall                 |
| Colour                   | Aluminum anodised<br>Aluminum brushed |
| Material                 | Aluminum                              |
| Manufacturer             | O3-SLV                                |
| Emission angle (°)       | 120                                   |
| Controller               | LED driver                            |
| Operating voltage AC (V) | 200-240                               |
| Light source             | SMD LED                               |
| Lamp holder              | LED Platine                           |
| Watt (W)                 | 16,6                                  |
| Luminous flux (lm)       | 470+95+95                             |
| Number of lamps          | 3                                     |
| IP Rating                | IP20                                  |
