

Data Sheet for Article: LI163003--

# SENSELED AUFBAU PANEL, 10W, 3000K, angular, silvergrey

## Technical Data

|                          |                                                      |
|--------------------------|------------------------------------------------------|
| Net length (mm)          | 169,00                                               |
| Net width (mm)           | 169,00                                               |
| Net height (mm)          | 36,00                                                |
| Net weight (kg)          | 0,61                                                 |
| Luminaire type           | wall luminaires<br>surface mounted ceiling luminaire |
| Mounting                 | surface mounting ceiling<br>surface mounting wall    |
| Colour                   | Silver grey                                          |
| Material                 | Acryl<br>Aluminum                                    |
| Manufacturer             | O3-SLV                                               |
| Emission angle (°)       | 120                                                  |
| Light source             | SMD LED                                              |
| Lamp holder              | LED Platine                                          |
| Watt (W)                 | 10                                                   |
| System efficiency (lm/W) | 50                                                   |
| Light colour             | warm white                                           |

## Technical Data - continued

|                             |              |
|-----------------------------|--------------|
| Colour temperature (K)      | 3000         |
| Colour rendering index (Ra) | ≥80          |
| Luminous flux (lm)          | 500          |
| Live time                   | 30.000h      |
| Protection class            | I            |
| Energy efficiency class     | A++   A+   A |
| Illuminant incl.            | yes          |
| LxWxH mm                    | 169x169x36   |
