

Data Sheet for Article: LI31119266

# T5 24W/830 G5 FLH1, Warm white, Fluorescent Lamp

## Technical Data

|                                             |                        |
|---------------------------------------------|------------------------|
| Luminous flux (lm)                          | 2000                   |
| Light colour                                | warm white             |
| Colour temperature (K)                      | 3000                   |
| Colour rendering index (Ra)                 | ≥80                    |
| Dimmable                                    | no                     |
| Energy efficiency class new from 01.09.2021 | G                      |
| Energy efficiency class                     | A                      |
| Socket                                      | G5                     |
| Beam angle (°)                              | 360                    |
| Operating voltage AC (V)                    | 230                    |
| Make-up                                     | Röhrenform             |
| Length (mm)                                 | 549                    |
| Diameter (mm)                               | 16                     |
| Luminaire type                              | lamp                   |
| Light source                                | fluorescent lamp Ø16mm |
| Watt (W)                                    | 24                     |
| Power (W)                                   | 24                     |

| DESCRIPTION                                      | Order No.  |
|--------------------------------------------------|------------|
