

Data Sheet for Article: LI42514762

# RL-RAL2 35 DIM 6W 230V 827 250lm opal

## S14S 20000h L=300mm

### Technical Data

|                                      |                    |
|--------------------------------------|--------------------|
| Make-up                              | Röhrenform         |
| Colour                               | White              |
| Emission angle (°)                   | 200                |
| Operating voltage AC (V)             | 230                |
| Version                              | opal               |
| cycle of operation                   | 50000              |
| Socket                               | S14s               |
| Watt (W)                             | 6                  |
| Light colour                         | warm white comfort |
| Colour temperature (K)               | 2700               |
| Colour rendering index (Ra)          | ≥80                |
| luminous flux (lm)                   | 250                |
| Service life (h)                     | 20000              |
| Dimmable                             | yes                |
| Energy efficiency class              | A                  |
| Diameter (mm)                        | 29                 |
| Power Factor                         | 0,62               |
| Comparable Wattage incandescent lamp | 35                 |
