

Data Sheet for Article: LI43719441

# RL-PAR16 50 DIM 5.5W 230V 36° 930 350lm 720cd GU10 25000h

## Technical Data

|                                             |            |
|---------------------------------------------|------------|
| Min. ambient temperature (°C)               | -20        |
| Max. ambient temperature (°C)               | 40         |
| Manufacturer                                | 09-Radium  |
| Watt (W)                                    | 5,50       |
| Luminous flux (lm)                          | 350        |
| Candela                                     | 720        |
| Light colour                                | warm white |
| Colour temperature (K)                      | 3000       |
| Colour rendering index (Ra)                 | ≥80        |
| Colour stability MacAdam (sdcm)             | ≤5         |
| Service life                                | 25.000h    |
| Dimmable                                    | yes        |
| IP Rating                                   | IP20       |
| Energy efficiency class new from 01.09.2021 | G          |
| Energy efficiency class                     | A+         |
| Socket                                      | GU10       |
| Beam angle (°)                              | 36         |
| Operating voltage AC (V)                    | 220-240    |

## Technical Data - continued

|                                      |       |
|--------------------------------------|-------|
| Comparable Wattage incandescent lamp | 50    |
| Make-up                              | PAR16 |
| Diameter (mm)                        | 51    |
| Net length (mm)                      | 55,00 |
| Net diameter (mm)                    | 51,00 |
| Net weight (kg)                      | 0,05  |

## Article Table

| DESCRIPTION                                               | Order No.  |
