

## KELVIN CONTROL, wall panel, recessed and surface mounted

100V-240V

## Technical Data

|                          |                                                 |
|--------------------------|-------------------------------------------------|
| Manufacturer             | 03-SLV                                          |
| Protection class         | II                                              |
| Operating voltage AC (V) | 100-240                                         |
| Mounting                 | recessed wall mounting<br>surface mounting wall |
| Cut-out size (mm)        | Ø55                                             |
| Mounting depth (mm)      | 40                                              |
| Colour                   | White                                           |
| Material                 | Plastic                                         |
| Width (mm)               | 86                                              |
| Height (mm)              | 86                                              |
| Weight (kg)              | 0,236                                           |
| Cut-out size mm          | Ø55                                             |
