

Data Sheet for Article: LI508740--

# Mini-Lynx, 15W, 2700K, E27

## Technical Data

|                             |                            |
|-----------------------------|----------------------------|
| Manufacturer                | 03-SLV                     |
| Luminous flux (lm)          | 900                        |
| Light colour                | warm white comfort         |
| Colour temperature (K)      | 2700                       |
| Colour rendering index (Ra) | ≥80                        |
| Dimmable                    | no                         |
| Socket                      | E27                        |
| Beam angle (°)              | 320                        |
| Operating voltage AC (V)    | 230                        |
| Make-up                     | Röhrenform                 |
| Diameter (mm)               | 48                         |
| Luminaire type              | lamp                       |
| Light source                | Minilyn energy saving lamp |
| Watt (W)                    | 15                         |
| Watt/m (W/m)                | 15                         |
| Power (W)                   | 15                         |
