

Data Sheet for Article: LID10158--

# Caligo-R/A1 50W GU5,3 MR16, 12V, IP20, brushed chrome

## Technical Data

|                          |                                                      |
|--------------------------|------------------------------------------------------|
| Dimmable                 | yes<br>Depending on light source                     |
| Protection class         | III                                                  |
| IP Rating                | IP20                                                 |
| Luminaire type           | Recessed ceiling luminaire                           |
| Light source             | Low voltage halogen - reflector lamp<br>LED Retrofit |
| Illuminant incl.         | no                                                   |
| Number of lamps          | 1                                                    |
| Lamp holder              | GU5,3                                                |
| Power (W)                | 50                                                   |
| Operating voltage AC (V) | 12                                                   |
| Operating voltage DC (V) | 12                                                   |
| Mounting                 | recessed mounting ceiling                            |
| Mounting depth (mm)      | 90                                                   |
| Colour                   | Brushed chrome                                       |
| Material                 | Steel                                                |
| Height (mm)              | 50                                                   |

## Technical Data - continued

|                      |                        |
|----------------------|------------------------|
| Diameter (mm)        | 108                    |
| Optional Accessories | LI43920154; LID16949-- |
| ØxH mm               | 108x50                 |
