

Data Sheet for Article: LID12071 --

# Low voltage halogenlamp, GY6,35, 12V, 75W, clear **€ECONOMY**

## Technical Data

|                          |                                      |
|--------------------------|--------------------------------------|
| Luminaire type           | lamp                                 |
| Manufacturer             | 06-One Light                         |
| Cover                    | Clear                                |
| Operating voltage AC (V) | 12                                   |
| Operating voltage DC (V) | 12                                   |
| Light source             | Low voltage halogen - reflector lamp |
| Socket                   | GY6,35                               |
| Watt (W)                 | 75                                   |
| Energy efficiency class  | D                                    |
| LxØ mm                   | 42x12                                |

**Dimensioned drawing: Low voltage halogenlamp, GY6,35, 12V, 75W, clear****Article Table**

| DESCRIPTION                                      | Order No. |
