

Data Sheet for Article: LID15246--

# Plafu LED, 20W, 1400lm, 3000K, 230V, IP44, white

Ceiling luminaire, complete with driver

## Technical Data

|                             |                          |
|-----------------------------|--------------------------|
| Manufacturer                | 06-One Light             |
| Luminous flux (lm)          | 1400                     |
| Light colour                | warm white               |
| Colour temperature (K)      | 3000                     |
| Colour rendering index (Ra) | ≥80                      |
| Protection class            | I                        |
| IP Rating                   | IP44                     |
| Light source                | SMD 2835                 |
| Illuminant incl.            | yes                      |
| Power (W)                   | 20                       |
| Operating voltage AC (V)    | 230                      |
| Mounting                    | surface mounting ceiling |
| Colour                      | White                    |
| Material                    | Aluminum                 |
| Diameter (mm)               | 300                      |
| ØxH mm                      | 300x80                   |
| Watt (W)                    | 20                       |
