

Data Sheet for Article: LIFS020001

# FS 75, UWW, Ra=97+, 18W/m, 1280lm/m, 24VDC, IP44, l=5m

LED Flexstrip ultra warm white, only for indoor use

## Technical Data

|                             |                            |
|-----------------------------|----------------------------|
| Power per Meter (W/m)       | 81                         |
| luminous flux/m (lm/m)      | 1280                       |
| Light colour                | ultra warm white           |
| Colour temperature (K)      | 2550                       |
| Colour rendering index (Ra) | ≥97                        |
| Dimmable                    | Depending on driver<br>yes |
| Protection class            | III                        |
| IP Rating                   | IP44                       |
| Operating voltage DC (V)    | 24                         |
| Length (mm)                 | 5000                       |
| Width (mm)                  | 10,50                      |
| Height (mm)                 | 3                          |
| LxWxH mm                    | 5000x11x3                  |
| Binning                     | 3-SDCM                     |

| DESCRIPTION                                                                                                   | Order No.  |
