# LED Lamp R63 8W E27 2700K, 500lm, 120° **€ECONOMY**

## Technical Data

|                             |                  |
|-----------------------------|------------------|
| ØxH mm                      | 63x100           |
| Socket                      | E27              |
| Watt (W)                    | 8                |
| Make-up                     | Reflektor<br>R63 |
| Operating voltage AC (V)    | 220-240          |
| Light colour                | warm white       |
| Luminous flux (lm)          | 500              |
| Power Factor                | >0.5             |
| Colour rendering index (Ra) | ≥80              |
| Dimmable                    | no               |
| Colour temperature (K)      | 2700             |
| Service life                | 20.000h          |
| Beam angle (°)              | 120              |
| IP Rating                   | IP20             |

## Technical Data - continued

|                                      |         |
|--------------------------------------|---------|
| Protection class                     | II      |
| Comparable Wattage incandescent lamp | 45      |
| Material                             | Plastic |
| Frequency (Hz)                       | 50      |
| Length (mm)                          | 63      |
| Height (mm)                          | 100     |
| Diameter (mm)                        | 63      |

| DESCRIPTION                            | Order No. |
