# LED Floodlight 20W grey SMD 3000K, 1600lm, IP65

## Technical Data

|                             |             |
|-----------------------------|-------------|
| LxWxH mm                    | 181x34x148  |
| Colour                      | Grey        |
| Material                    | Aluminum    |
| Watt (W)                    | 20          |
| Operating voltage AC (V)    | 220-240     |
| Light colour                | warm white  |
| Luminous flux (lm)          | 1600        |
| Colour rendering index (Ra) | >70         |
| Dimmable                    | no          |
| Colour temperature (K)      | 3000        |
| Lamp holder                 | LED Platine |
| Light source                | SMD LED     |
| Live time                   | 20.000h     |
| Beam angle (°)              | 100         |
| IP Rating                   | IP65        |
| Protection class            | II          |
| Manufacturer                | 08-V-TAC    |
| Swivel range (°)            | 180         |
